The Board of Huron County Commissioners met this date in Regular Session. Roll being called found the following members present: Terry Boose, Joe Hintz, Bruce Wilde.

17-245

IN THE MATTER OF CERTIFYING CLAIMS SCHEDULES TO THE HURON COUNTY AUDITOR FOR PAYMENT

Terry Boose moved the adoption of the following resolution:

WHEREAS, as per Ohio Revised Code 305.10, a resolution must be made by the Board of Huron County Commissioners to accompany the Claims Schedule to the Huron County Auditor's Office for payment;

BE IT RESOLVED, that the Board of Huron County Commissioners does hereby approve Claim Schedule 08/08/17 and authorizes the Huron County Auditor to make the necessary warrants; and further

BE IT RESOLVED, that the foregoing resolution was adopted and all actions and deliberations of the Board of Commissioners of the County of Huron, Ohio relating thereto were conducted in meetings open to the public, in compliance with all applicable legal requirements, including Section 121.22 of the Ohio Revised Code.

Bruce Wilde seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

Aye – Terry Boose Aye – Joe Hintz Aye – Bruce Wilde

Bruce Wilde seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

Aye – Terry Boose Aye – Joe Hintz Aye – Bruce Wilde NOTICE TO BIDDERS

HURON COUNTY SOIL & WATER DISTRICT BUILDING REMODEL, PAINTING AND CARPETING

Sealed bids will be received in the office of the Huron County Commissioners, 180 Milan Avenue, Suite 7, Norwalk, Ohio 44857, until 2:00 P.M. (local time) on September 21, 2017, at which time and place they will be publicly opened and read aloud. A pre-bid meeting will be held at the Huron Soil and Water Conservation District Office, 8 Fair Road Norwalk, Ohio 44857 on August 24, 2017, at 10:00 A.M.

The proposed work will consist generally of the remodel of the existing building and any other work as may be required to complete the work in accordance with the Contract Documents.

Copies of the detailed plans, specifications and contract documents may be obtained or examined at the office of the Engineer, Contractors Design Engineering, 1623 Old State Road, Norwalk, Ohio 44857.

A payment of Thirty Dollars (\$30.00) for each set will be required for the plans, specifications and contract documents. Checks shall be made payable to **CONTRACTORS DESIGN ENGINEERING** and all documents become the property of the prospective Bidder, with no portion of said payment being refunded.

Successful Bidder must be an Equal Employment Opportunity Employer, which prohibits discrimination based on race, creed, color, national origin, sex, age, handicap, political affiliation or beliefs. The Huron County Soil & Water District is an Equal Employment Opportunity Employer.

Attention of bidders is called to all of the requirements contained in this bid packet, particularly to the various insurance requirements, various equal opportunity provisions, and the requirement of the payment bond and performance bond for hundred percent (100%) of the contract price.

The Engineer's opinion of probable construction cost for each is \$ 248,000.00.

Attention of bidders is called to Ohio revised Code Section 153.12 which states that No contract shall be entered into if the price of the Bids for the project, are in excess of ten per cent above the Engineer's estimate for either Part..

The Huron County Soil & Water District, Norwalk, Ohio, reserves the right to waive any informalities and to reject any and all bids.

This advertisement may also be found on the Huron County Commissioners website at http://www.hccommissioners.com and can be accessed by clicking on Legal Notices.

1. County Plans:

Novel by Plans:

Novel the gloss by which the county will use the grant money in state faced year 2018 and 2010. T.CAP bandon is related to provide during the community correction attenuatives, not be safely provide funding, to incurrents offendent, stack. County plans is broad not expend more than 50% of the grant allotment to juil incurrenties. If a County locates and sets by well as the county for a county locates and sets by well as the county for a county locates and sets by well as the county for an analysis of funding on incurrent one pain incurrently. The County county is the bear attenuatives were not selected.

The Court, the County Commissioners, and the Sheriff have reached an agreement to participate in the T-CAP Program and on a plan for use of the funding provided during the initial grant period of September 1, 2017 through June 30, 2019. The agreement provides that the funds received will be used by the Common Pleas Court for enhancing treatment and probatise services, with emphasis on the T-CAP target population. The agreement is to participate in the Felony 5 Target Population during the initial grant period.

Enhanced treatment services will include multiple treatment counselors and a case manager. It is anticipated these services will be provided by Oriana House and will be offset with Medical dis insurance billings to the extent possible. In addition, the Court will have access to electronic monitoring services as well as enhanced drug testing, with anticipated increases the number of tests and substances within Will be subject to testing results. Sepending on funding availability, the Court may expend funds to either increase transportation availability treatment services or to providing an alternative location in the southern part of the county for such services.

Enhanced probation services will focus on pretrial diversion for the T-CAP target population to the monitoring services into the beside provided and the county for such services.

Enhanced probation services wi

At 9:30 a.m. Public Comment - Pete Welch, Director of Operations,

Mr. Welch explained Ron Ackerman will be retiring as of August 18, 2017. Need to know if the board is willing to hire a replacement or not to service those at Shady Lane. This includes Senior Enrichment and Veterans. He mows all of Shady Lane including the hill. Mr. Boose will contact Veterans and Senior Services to see how they feel. Commissioner Wilde would like to on a trial basis to not hire, because this building will be soon going away. Commissioner Boose discussed doing away with cleaning part within the entities that really don't belong to us. Mr. Boose guesses that Senior Services will get volunteer's to clean for them. Commissioner Hintz asked Mr. Strickler if we have to provide janitorial services to Veterans Office. Mr. Welch's recommendation is that if they continue to clean, then they need to replace. Mr. Wilde asked will we be able to get by without hiring anyone, Mr. Welch stated yes they will be fine. Mr. Welch stated that cleaning services at Soil & Water will be ok, Mr. Stang will be ok with what the Board decided. The have people to do the mowing and snow plowing.

At 9:40 a.m. Terry Boose moved to enter into Executive Session ORC 121.22 (G) (2) to consider the purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest. Bruce Wilde seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

> Aye - Terry Boose Aye – Joe Hintz Aye - Bruce Wilde

At 9:55 a.m. Terry Boose moved to end Executive Session ORC 121.22(G) (2). Bruce Wilde seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

> Aye - Terry Boose Aye – Joe Hintz Aye - Bruce Wilde

*No action taken

At 9:56 a.m. Carol Knapp, HCDC, semiannual report.

REGULAR SESSION

TUESDAY

AUGUST 8, 2017

wing is an update on the goals identified in HCDC's February 2017 presentation to the Commissioners:

Land Bank Creation ~ will meet with County Treasurer in August to start the pro-

New Market Tax Credit Training ~ will schedule as part of HCDC meeting this fall.

 $\mbox{T-I-D (Transportation Improvement District) Training} \sim \mbox{ODOT provided informal training to HCDC}$

Website Completion ~ HCDC's part is done. Waiting for developer to work out their issues.

HCDC BR&E Program Continuation ~ 38 business visits completed to date. Melanie has assiresponsibility for this program.

Willard Comprehensive Plan Approval ~ Anticipate a September Council work session to review & approve.

Willard CRA Approval ~ City-wide Community Reinvestment Area has been approved by State.

Wakeman CRA (Community Reinvestment Area) ~ Anticipate village legislation to be ready late August. CRA documents have been provided to the village solicitor for review.

Wakeman Comprehensive Plan Assistance ~ Anticipate starting process in October

New London Comprehensive Plan assistance ~ Not scheduled at this time.

Future Makers Career Showcase Event ~ October 12 is date for the two-county event. Plans are underway. Event will continue into the evening to provide additional opportunity for students and parents to experience the hands-or manufacturing stations. Please mark your calendars to attend!!

Teacher Boot Camp ~ Have applied for a grant to assist with this effort.

Membership Drive ~ Written materials are ready. Need to establish HCDC Committee to assist.

Team NEO Goals

4 A&B Metric Projects ~ Goal is 4 – we have 2 so far

4 C Metric Projects ~ Goal is 4 – we have 2 so far

50 BR&E visits ~ Although we have completed 38 BR&E visits, Team NEO only wants certain industry sectors reported in Sales Force.

ADDITIONAL EFFORTS

Firelands Electric CRA Agreement ~ HCDC helped negotiate a CRA agreement between Firelands Electric Cooperative and the Village AND compensation agreements between Firelands and New London Schools and EHOVE.

Transportation Improvement District ~ Two projects were submitted for potential funding. Both were funded Norwalk/Huron County — Old State Road improvements @ \$250,000. New London — Industrial Parkway Extension @ \$74,000.

Norwalk CRA Creation ~ NEDC has asked for HCDC's assistance in creating a city-wide CRA. I pres CRA information to Council. Melanie is working with NEDC's intern for initial research and document

Five County Manufacturing Group ~ There have been changes in leadership with some of these groups. We are meeting in August to determine how to best collaborate for this year's manufacturing month.

New Business Assistance ~ We are assisting a new business venture with their business plan. We also assisted an existing business that needs a cash infusion with their business plan.

Western Reserve Manufacturing Bus Tours ~ HCDC in collaboration with the Chamber arranged for manufacturing bus tours for Juniors & Seniors. Seventh graders participated on another day.

Western Reserve Career Fair ~ HCDC helped arrange for a Career Fair for Juniors & Seniors at Western Reserve.

Willard Career Fair ~ HCDC was asked to cover "Dress for Success" at the Willard Career Fair this year.

Willard PAC ~ We are working with the Willard Performing Arts Center Committee on their efforts to raise funds and build a PAC. Plymouth P-I-C ~ HCDC in collaboration with the Chamber has been trying to help the Plymouth Improvement Committee. We had a business visit event, "POSITIVELY PLYMOUTH" that identified some focus areas for the Committee and willage.

HURON COUNTY DEVELOPMENT COUNCIL

Carol A. Knapp, EDFP Executive Director

Ms. Knapp will send up sample resolutions to create a land bank.

Mr. Boose will meet with Ms. Knapp to inform her of the executive session discussion. Will ask her to meet with Melissa James and she can carry the boards message to them.

At 10:20 a.m. Jill Eversole Nolan, DJFS quarterly report.

DEPARTMENT OF JOB AND FAMILY SERVICES

185 Shady Lane Drive, Norwalk OH 44857 * www.huroncountydjfs.org 419-668-8126 or 1-800-668-5175 * Fax 419-668-4738

QUARTERLY REPORT for Huron County Comm April 1, 2017 through June 31, 2017 Jill Eversole Nolan, Director

DIRECTOR'S REPORT (Jill Eversole Nolan, Director)

- Case of oncern. . . no high profile children service cases currently
 Adoption . . . pending for 1 child
 Fair . . DBF voil have a "fadford" whibit
 Bock-to-School program . . . \$340,000 spent to date (vouchers to Walmart and JC Penney's, 70%/30% ratio), approximately 850 families serviced with vouchers as of this date
 Placement costs . . . focusing on avenues and internal processes to lower costs. Thirteen (13) children currently in foster care.
 Grants . . . applied of another Attorney General VCCA grant for CAC maintenance for 2017-18 (5129.75%); Healthier Buckeye Grant extended to December 2018 (5204,000)
 Building and Grounds . . . focusing on file room clean-up (93 boxes shredded); several requests in facility Dude; working on a plant on accommodate additional office space in the DIFS building per commissioners request.
 Request for Executive Session to discuss 2 personnel cases.

		6/1/2017	Kelly Phelps	Social Services Supervisor	Resignatio
	•	5/23/2017	Allyson Webb	Social Services Worker 3	Resignatio
Ne	w H	lires:			

• 6/9/2017 Renee King • 6/14/2017 Jean Miller

Eligibility/Referral Specialist 2 (re-hire)
Social Services Worker 3 (Temporary re-hire)

- yee Relations:

 No grievances filed
 Held 3 labor-management meetings. All agenda items were discussed and positively resolved for everyone in attendance.

 The agency agin facilitated an opportunity for staff to purchase agency monogramed ciothing. The agency jincurs no cost but coordinates with a local merchant to facilitate staff in purchasing their own monogramed ciothing.

 Since we have seen a slight increase in turnover, it has been important for us to review and improve our new employee onboarding process. HR Administrator started a series of onboarding listening

sessions with staff, to get feedback on their own experience and to allow them to offer ideas of what should take place during new employee onboarding. An implementation plan was developed.

- Training and Education:

 2017 Annual Informing training was completed with all staff attending or, if they were unable to attend, completing the make-up activities to insure all staff receive the information.

 Thirty-two staff attended "Dealing with Officult Situations" training conducted by our agency's Employee Assistance Program (EAP). This is one of two EAP sponsored trainings held in 2017.

 Three Management Project Trainings were conducted for all agency management.

- Safety:

 AEDs were inspected and new batteries and pads were purchased and installed per the recommended maintenance schedule.

 The Agency Wide Safety and Security Plan was updated for 2017. Staff were informed of and trained on the updates. A copy was forwarded to county HR/Loss Prevention/Revenue Enhancement Director.

Website redesigned. We moved our website from a third-party hosting service to a self-serve host (WIX) allowing us to update and change the website in-house. The web site was given an updated look and all content was updated.

WIFI upgrade completed. Our building WIFI system was upgraded providing better coverage of the building and improved ease of use for staff and visitors.

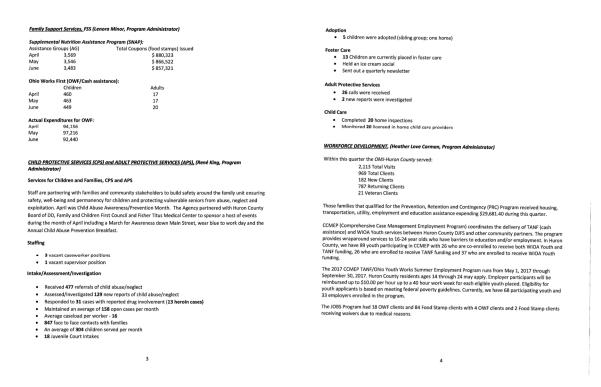

FISCAL REPORT (Amy Leibold, Business Administrator)
HCDJFS County Audit was conducted by Charles E Harris & Associates Inc. No concerns or is

June 30, 2017 was the end of Huron County Department of Job & Family Services State Fiscal Year 2017. This brought the close of nineteen (19) allocations for HCDIFS. HCDIFS was able to maximize the funding expenditures for all these allocations.

Total Active Participants: 20,136

Non IV-D Cases: IV-D Cases: Total Open Cases:

5,449 5,967 Total Collections: \$ 2,744,454

At 10:41 a.m. Terry Boose moved to enter into Executive Session ORC 121.22 (G)(1) to consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual. Possible retirement. Bruce Wilde seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

Aye – Terry Boose Aye – Joe Hintz Aye – Bruce Wilde

<u>At 10:53 am.</u> Terry Boose moved to end executive session ORC 121.22 (G) (1). Bruce Wilde seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

Aye – Terry Boose Aye – Joe Hintz Aye – Bruce Wilde

At 10:54 a.m. Bill Ommert, EMA & Ken Smith, RKS Power Solutions to discuss generators. Mr. Wilde discussed the invoice for \$500.00, no one can seem to wrap their heads around this, regarding the switch that cuts EMA out. There was confusion on what the invoice was for, the top part and bottom part didn't seem to match. Mr. Smith explained the second page was the maintenance agreement for the landfill. Mr. Smith stated that Mr. Roblin requested this to be done as long as it is under \$1,000. This is a Band-Aid on the wound. Mr. Smith stated this is a back up to the back up. If there is an emergency they would need to call in a backup generator, this will cost lots of money. Mr. Smith is not sure what that cost will be. Mr. Boose asked if the generator at EMA was to go down, is there someone locally they could call, Mr. Smith stated the closest one would be in Avon. Mr. Hintz asked what size does the generator at EMA and tower need to run during an emergency, Mr. Hintz thinks a 55 is a large unit. Mr. Smith stated he thinks a 45 would be sufficient but he was not sure. Feeds EMA, mechanic, and tower. Mr. Boose stated they discussed the jails big generator, is there any way to run a connection to that generator. Mr. Smith stated that Bill doesn't like that idea, he says he has to have his own. Mr. Ommert stated it is supposed to be an independent generator for the EOC. Asked if this could be a back up to his back up. Mr. Smith stated you cannot tie the jail generator in instead of the other one. It has to be one or the other. To tie the jail generator in would be expensive and not an easy fix. You would need to bring a towable. They discussed the generators that the County gave to other townships. Mr. Boose stated we need to be clear we are discussing a backup to the backup generator. Mr. Boose asked if we want to have some type of MOU with the Avon company Mr. Smith is talking about to say we are first. Because if it is a big enough disaster everyone will want it. Mr. Smith stated you would have to pay for that. Mr. Smith stated

since it is a backup to a backup he didn't feel it would be worth paying for. Discussed the EMA generator that they believed was not being serviced. Mr. Ommert explained it was the old mechanic, Lon Burton, who maintained. The current mechanic was also doing checks. It was a false understanding that it wasn't being serviced. Mr. Hintz asked if we needed the service agreement if our mechanic is doing it. Mr. Ommert stated with the service agreement they will come out and do a load test and that kind of stuff that the mechanic cannot do. Mr. Wilde asked if everyone understood the invoice and who is paying. Mr. Smith stated the benefit of the invoice is the Sheriff. The payment will come from the B&G account. Mr. Smith stated now that we are okay for the past how are we going to handle things for the future with the generators. Mr. Smith stated he felt all generators should be under B&G so he is just dealing with one person regardless of where they are located. Board stated that will not work because the generators do not belong to the Commissioners and we do not have the authority to spend other department's money. The generator that powers the scale house is Mr. Welch's generator because it only does the Landfill. EMA is responsible for the one at the EMA building. Mitch will take care of the one at the actual Sheriff's tower. The one in question is the one that sits by itself at the Landfill. Mr. Boose stated until we have a better word for you we'll say that's Pete's. Mr. Ommert stated the tower immediately behind EMA, is an EMA tower that was paid for by a EMA Federal FEMA grant. The sheriff's equipment is on that tower and is not charged for any of that. Mr. Boose asked who paid for the tower at the Landfill. Mr. Ommert stated that was through a grant that Mr. Roblin got. Mr. Smith said Mr. Roblin got the grant on behalf of the County. Mr. Boose stated he believes no one officially said I'm putting it up and you maintain it. Somebody needs to take ownership of the tower. Mr. Ommert stated the original tower at the Landfill was there and EMA asked permission to put some equipment on it since it was already in existence. That was the Sheriff's communications tower for the southern part of the county.

Mr. Wilde asked if anyone knows where the generator that failed at the Landfill is? Is it of any value to it? Mr. Boose thought the County was going to use it as a backup to a backup. Mr. Smith doesn't believe it is reliable. Mr. Smith said he left it on a pallet at the Landfill and they stuck it inside down there. Mr. Boose asked if it was their recommendation that the County sell it? Mr. Ommert stated it's a bad generator. Mr. Smith stated it is not reliable. Mr. Smith recommends selling it for \$500 and \$1,000.

Mr. Smith asked for direction on the repeater sites for the Sheriff. Mr. Boose asked if we have any authority. New London's site is on Fireland's Electric Building. When the building sells they'll approach the new owner. All the other sites have generators. The City has one through the City Hall, the new one. They have two options for Wakeman which is the standby option, which is expensive. Or do a manual switch. The Mayor of Wakeman already said that we would be allowed to mount anything to the side of their building. Wakeman has portable generators. The least expensive fix would be to put in a manual switch. The fire department already said they would put it on their schedule. If they lose power they already take a generator to the light downtown, drop a second generator off, plug it in and back feed. Since the switch will be an outside switch it will be about \$1,000. Mr. Smith's recommendation, according to Jason, the tower was just raised 30 extra feet, all the other people who have stuff on that water tower paid for that except the County. Jason's thought was since they paid for that maybe the County should pay for this as a thank you for raising the tower because we are benefiting from it.

Terry Boose moved to allow RKS Power Solutions put in an outside manual switch in the Village of Wakeman, with their approval, that will allow us to hook up an emergency generator, not to exceed \$1,500.00. Bruce Wilde seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

Aye – Terry Boose Aye – Joe Hintz Aye – Bruce Wilde

Mr. Smith explained the purpose of the repeaters. Example, if there is a power outage in Wakeman, no tower in Wakeman. If the guys are in the cars they still have radios in their car. Once they leave the car and have the radio on their hand radios, if that repeater tower isn't working, then in some of the valleys all around Wakeman then they have no radios. Have to go back to the car to use the radio. The repeaters do the valleys because you have to have a straight shot.

OTHER BUSINESS

Commissioner Boose stated there is a banner for ROY that has been hanging for months. Would like the duration to be only a month. Ms. Ziemba to contact Kathy Nofts, at Juvenile Court to have it removed.

Discuss JFS floor plan. Mr. Boose stated there is a lot of extra room in Family Support Services. If we have to, he has no problem adding permanent walls to separate them. Further discussion was had with what the possibilities for space could be and what leverage the Board has to present to JFS. Mr. Boose

asked if the JFS floor plan was given to the Veterans? Believe Mr. Welch did so the day he was asked. Discussed the bond for the building and that it is paid off in 2020.

At 12:01 pm. The board recessed.

At 1:20 p.m. The board resumed regular session. Mr. Hintz updated the board that they had their Solid Waste Committee Meeting and the agreement that will be sent to the EPA has been ratified. There were five voting members in attendance. Both Norwalk and the County had a veto power which neither exercised. Only one missing was the Mayor of Wakeman.

Commissioner Boose met with Carol Knapp, HCDC over lunch. She will speak with Melissa James about the executive session discussion. Ms. Knapp stated they would not need to go out to bid for the property if they use the CIC to sell the buildings. Mr. Strickler stated they needed to be designated as your Community Improvement Corporation. Mr. Boose said he thinks they've already done that. Mr. Strickler stated if that's correct then they would act as the realtor and would sell that and you wouldn't have to have it go through the bid process. You can ask for a minimum bid. Mr. Boose stated the Board would still have the ultimate decision on the sell. Mr. Strickler stated that is correct. Ms. Knapp stated yes HCDC is the CIC for the county, except for New London because they have their own. Ms. Knapp stated before they could act on the County's behalf they would need something in writing authorizing them to do it.

Discussed space at JFS rented to WIC. The contract is between JFS, Commissioners, and WIC. The rent money does not come to the Commissioners. Schedule Mrs. Nolan for Tuesday, Aug. 15 to discuss space. Worst case scenario is WIC could be out of JFS by end of March 2018.

Roland has a meeting with Jeff Heinrick from Open Check Book on Thursday August 10, 2017. Haven't heard anything from the State Auditor's Office.

There is an invitation for the Budget briefing. All 3 to attend meeting in Wood County on Sept 18 will use county vehicle.

Class Action law suit – Randy to call for information on joining suit.

CCC/EAPA regional meeting is Sept 22nd

Mr. Wilde reported he met with Lee Tansey and they will survey out the old jail spot.

Peer Support Housing update. Toured Sarah's House. Very interested in and looking at repairs.

Mr. Wilde stated as a follow up to Veterans discussion on Tuesday. They had concerns of the costs to run the utilities. Mr. Wilde stated that would have to be done no matter what because we have a tenant in that building already that would need the utilities. Also if the house is left it will need utilities too.

Mr. Boose reported on his meeting in Akron. They introduced him to a gentleman to David Nalls. He has his own recovery facility and also works for the State. He wrote the plan and does the training for peer on peer training. Mr. Boose explained to him what the county wanted to do and he is very high on peer to peer people running it. He's offered to give any help that we need. Also interested in doing it for the recovery housing that we may have to do. Curious as to whether the people in Lorain County have had the peer to peer training. He's willing to come up to the area and talk. May ask him to come up and meet with Pete Shade. Mr. Hintz asked Mr. Boose to explain peer to peer training. Mr. Boose what most of the recovery centers, whether a recovery center or recovery housing, they strongly encourage the people who run and manage them are people that have been there. There is an official certification that you get after you've been through the training. There are people in Huron County that have it and those who want to get it.

Mr. Boose asked if they've had a chance to look over the Economic Development minutes and the budget? Mr. Wilde stated yes. Mr. Boose asked if he had any concerns. Further discussed the concerns with their budget and the zero balance at the end of the year. Mr. Boose stated he thinks this should be brought up at their Friday HCDC meeting.

Discussed the sales tax report and that we are way above the estimate. Mr. Boose asked Mr. Strickler to take the information to Mr. Sitterly.

White House – Mr. Boose is not 100% sure he will not go.

ODOT Transportation steering committee meeting has been canceled.

Mr. Boose will attend the CORSA meeting with Warren Brown on Aug. 25th.

Thursday morning commissioners to ride together to Bellevue hospital – need car.

Discussed letter received from the City of Norwalk about the Health Dept. County has already given the Health Dept. their approval if they want the City's permission they need to handle that on their own.

At 2:09 p.m. the board recessed.

At 2:18 p.m. the board resumed regular session.

Mr. Boose reported on the 911 Technical meeting last Friday. Mr. Boose informed them they are willing to look at hiring a 911 coordinator but need funding for it. They wanted to be in control of the job description. Decided to form two committees. One subcommittee is to come up with the job description. The next meeting is Aug. 24th. One subcommittee to work on funding. Sheriff doesn't believe there needs to be a full time person. Nobody else agreed. Need to determine if they are looking for a person who is policy and procedure or technical or both. Settled on needing a technical person with leadership abilities. Warren will be a part of the committee working on the job description. Discussed the issue of how to pay for it. Told them the Commissioners do not have the money nor do they anticipate having the money. Need to have permanent funding figured out because we don't want to be two years down the road and have it put back on the commissioners to fully fund. Mr. Boose stated he is on the committee working on funding. His committee met yesterday and they have come up with the 911 funding to pay the 911 director salary through 2018. He told them, he doesn't have authority to approve, but thought the Commissioners could pay for the benefits. Step 2, whether to have each local government pay a portion to fund or to go out for a levy. Discussion came up of how EMA was funded. Each local government is required to have an EMA plan or department. By law either everybody has their own or they can go in and have ours. Currently they are paying .25 cents per population of village. It's \$16,000 a year. What the State doesn't pay for EMA we are picking up the rest and they are paying \$16,000 a year. Mr. Boose stated that's something we need to seriously look at. That .25 cents was set some 20 years ago and has not changed. Mr. Boose has a list of what everyone pays. Discussed the disadvantages of going out for a level for 911. Don't know what the amount would be needed for the levy and don't want to find out two years later that it wasn't enough. Don't want to go out for a levy more than once. Until they figure out exactly what the 911 position will entail and what the total dollars is, the idea is they thought they would try to get all the local governments to pay something to get it done. They came up with the townships in total paying around \$15,000. Would need to have a discussion with the townships to figure out how they would decide who was paying what part of the \$15,000. Jim Ludban, Willard, asked if he could be the person to talk with Dick Wiles about the townships. May be discussed at the township dinner meeting. There's six villages: Monroeville, New London, Greenwich, North Fairfield, Wakeman, and Plymouth. This was per the EMA list of people paying. Will ask each village to pay \$2500 - \$3000 a year for this service. What's left is Bellevue, Willard and Norwalk. Each will put in \$15,000 - \$20,000. They are the ones with the PSAP's and have the largest populations. This would begin 2019 and on. Sometime if they decide it's too much for each local entity to pay then they would have to go out for a levy. Mr. Hintz asked after all these funds are tallied up where are we. Mr. Boose stated around \$60,000 to \$75,000. The County's portion would be the benefits. Mr. Boose stated this is just for the salary. They are still planning on using the 911 money to run 911, the updates and maintenance. The 911 money would still be used to operate the 911 system. They would be housed in the EMA office. In near future they are going to have to go to fewer PSAP's or some kind of centralized if you want the State money. The State wants centralized dispatch in every county. Mr. Boose stated we are also at the point where it's not worth it to take the State money any more. Mr. Boose stated they feel they are getting very close now to the service that we can provide to our people that if the money doesn't increase significantly from the State that we may get to the point where we tell the State to keep their \$100,000. It doesn't cover all the mandates they are putting on them. Really don't know the future of 911. Trying to take some intermediate steps. That's the reason they are not wanting to go out for a levy. The Subcommittee is dividing up who will talk with who to present the plan. Have not decided on their next meeting date. Discussed the wage. Mr. Boose stated he doesn't believe we should have someone come in for 911 being paid more than the rest of the people in the County. They have to be reasonable. Mr. Wilde said he thought he heard \$55,000 to \$75,000. Mr. Boose said he thought that was high. Mr. Boose stated the Sheriff said he thought he had a person who could do it for half the time for a lot less. Mr. Wilde stated he didn't think half time was a bad idea. Doesn't believe it should be over \$50,000 and should be a per hour range in case they determine it needs to be 30 hour position versus a 40 hour position that we are locked in to salary. Mr. Hintz asked if there was any talk of it being part time 911 and part time IT? Mr. Boose stated everyone there except for the Sheriff thought it needed to be full time position. Discussed other counties and that not all are doing it the same way. Mr. Boose stated he and Mr. Wilde didn't say it was going to be a full time job. Did not discuss the possibility of using the person as an IT person under the commissioners. Mr. Boose stated that because they would have skin in the game, they made it real clear that we weren't going to be choosing the job description. There's only so much funding coming from 911 to pay for the position.

Discussed who would be invited for the meeting they want to have for recovery. Idea behind it is to try to get the people to start seeing the problem and seeing how bad it is. Would like the Commissioners to say what they are doing. MHAS to say what they're doing. Would like MHAS to say in front of the superintendents that we have several things we'd like to get in the schools. We'll pay for it if they let us but they have to be a part of it. It has to be the schools, churches, those invited to know that there's stuff available but they have to reach out and become a part of it. Also wants FI people there to explain who they are and for them to say they have scholarships to help. Need a strong email going out saying it's an epidemic, you need hear why, why we are inviting you here, you need to come to this meeting to find out why we think you're an important part of this. The documentaries they are hoping to show are Chasing the Dragon and The Anonymous People.

MHAS meeting tonight. Mr. Boose will be attending and will talk to them about the lease, money for recovery housing in Erie County, and the program they want to put on.

<u>At 3:06 p.m.</u> Terry Boose moved to adjourn. Bruce Wilde seconded the motion. The meeting stood adjourned.

IN THE MATTER OF CERTIFICATION

The Clerk to the Board does hereby attest that the foregoing is a true and correct record of all actions taken by the Board of Huron County Commissioners on August 8, 2017.

IN THE MATTER OF ADJOURNING

The meeting was called to order at 9:00 a.m. V meeting was adjourned at 3:06 p. m.	Vith no further business to come before the Board, the
