#### **Other Business**

Gary Bauer mentioned the request from Susan Hazel, credit card. Ms. Nolan explained that Ms. Hazel will be coming in today to speak about this. Mr. Dunlap questioned if Ms. Kasper was on board for this, an email was sent to Ms. Nolan from Ms. Kasper regarding this issue.

Mr. Bauer explained that they need to work on getting New London government project set up, to have their meeting at (2) different schools. Mr. Dunlap questioned if they could do it at Bellevue schools, Mr. Bauer stated that it should not be a problem, because some of the students live in Huron County.

Mr. Dunlap explained that Kinder-Morgan was in to speak with him and the pipeline project is a go. Mr. Dunlap explained that they will be doing only (1) line, the (2) line has been scratched. They are looking to break ground in November 2016.

Mr. Dunlap received an email from the Airport Authority Board. They would like a resolution to move the airport board from (5) members to (3) members. Mr. Hintz explained that the reason this is important to do is because it is currently a (5) member board, only (3) members are currently active. If (1) member is sick, the meeting has to be cancelled. With a (3) member board, only (2) need to be present for a quorum. Mr. Bauer stated that Ms. Kasper (Prosecutor) has concerns making this a (3) member board. Mr. Dunlap asked Mr. Binette what Ms. Kasper is thinking regarding this.

Marques Binette expressed Daivia Kasper's (Prosecutor) concerns which includes with a (5) member board you have more people to take responsibility and action to start to get work in motion, also with a (5) member board (2) members can meet and work on a task without holding a meeting. Then the board can come together to make discussions. Mr. Dunlap questioned there is no legal matter changing it, only

TUESDAY

Ms. Kasper's opinion. Mr. Binette also stated that Ms. Kasper would help with the switch over to a 3 member board if they chose to.

Mr. Dunlap stated to make it a (3) year term and leaving the terms for the current members terms as is. Mr. Hintz explained that Melissa James and Harry Brady current members are all for going to a three member board.

Joe Hintz moved to move ahead with changing the airport board to a three member board. Tom Dunlap seconded the motion. The roll being called upon its adoption, the vote resulted as follows:

## At 9:30 a.m. Public Comment

At 9:32 a.m. the board recessed.

At 9:38 a.m. regular session resumed.

<u>At 9:44 a.m.</u> Marques Binette, Assistant Prosecutor expressed Daivia Kasper's (Prosecutor) thoughts on the antique mall, there is a for sale sign in the window. She wanted to let the Commissioners are aware of this issue. Mr. Welch explained that Tom Jarrett has been trying to sell the business for years. He has not been successful. Mr. Dunlap stated that he spoke to Mr. Jarrett who is aware of the criteria regarding the Board of Commissioners approving this sale and contract.

Mr. Bauer explained that there is a three year rotation for the bidding the farms in September. Mr. Bauer stated the land at the transfer station will stay as is. The shady lane land will need to make sure the acreage is correct. Five acres by the jail can only be soy beans. Regarding the airport land, Mr. Dunlap stated he doesn't think this should go out to bid. Mr. Bauer stated the land on Rte. 601 should be farmed, however the rest could go out to bid. Mr. Bauer is open to discussion regarding this issue.

<u>At 9:50 a.m.</u> Pete Welch came before the board to request purchasing a new loader at a cost of \$271,995.00 minus \$80,000.00 trade-in for a total cost of \$192,495.00. Custom Metals will be modifying it to fit their needs. This is on state pricing. The current loader is going on (7) years, before they would replace them every (5) years. Mr. Dunlap questioned the build time from custom metal, Mr. Hohman stated (3) weeks.

Mr. Welch also asked to buy a new truck for the transfer station that is also used for plowing snow. Mark the mechanic stated the old truck is shot due to corrosion of the frame, body and underneath. Mr. Hintz asked what year is the old truck. Mr. Hohman stated it's a 2003. Mr. Welch stated they received an estimate from Sharpnack in the amount of \$27,783.00, O'Brien gave him a cost lower for the exact same truck at cost. Also State Term pricing out of Cincinnati, Ohio will be at cost, however you have to pay to have it delivered and or picked up. Mark the mechanic is investing the purchase.

Mr. Welch explained the zero-turn lawn mower blew up, it needs to be replaced next year. The motor blew up, the cost will be roughly \$3,000.00 to fix, and this is a very old mower. Mr. Welch explained there is a bobcat mower for sale, with 12.8 hrs logged on it in the amount of \$8,200.00. Mr. Welch stated he could offer \$7,400 - \$7,500 being sold by St. Paul's. Jeff Deeble went out to look at it, it's a very nice mower. This is very durable mower, Mr. Welch can price compare with a new one. Mr. Welch stated the only question is how to pay for this.

<u>At 10:03 a.m.</u> Jill Nolan, DJFS Director came before the board in regards to present her report. Adoption, Area 7. Ms. Nolan all areas are on hold, this is going Federal.

- ➢ 9 are males, 17 are females

A Joint Legislative Committee on Multi-System Youth was established in the 2016-2017 biennial budget. From a children services perspective, children often come into our custody not because of child abuse/neglect, but primarily because of delinquency, developmental disabilities, or mental health needs of the child. In the latter case for example, the cost of treatment is often prohibitive for parents requiring them to relinquish custody to obtain necessary treatment services. *An examination of the children currently in the custody of the Huron County Department of Job and Family Services reveals 7 youth entered placement primarily due to unruly/delinquent behavior. Although these youth account for 24% of the children in placement, they account for 71.43% of the total placement cost.* 

• 22 foster homes are currently licensed; 4 homes are in the process of being licensed.

## Adult Protective Services

- 10 new referrals were investigated during the 1st quarter of 2015
- An additional 20 cases were referred to other community agencies or followed up by JFS staff to assure needs were being met.

## Child Care

The agency monitored 19 licensed in-home child care providers as of June 30, 2015

## August 25, 2015

So far in 2015, HCDC has completed 153 business visits. 138 of those visits were during the Willard Business Appreciation Week Event held the last week of July.
