The following comments were noted yesterday when the Safety Committee met in a special meeting to discuss health care. These comments are presented below:

- 1. Make the Plan Year coincide with the calendar year.
- 2. Never call for an insurance holiday again.
- 3. Believe the average consumer would be willing to pay a more for better coverage. The out-of-pocket expenses can be daunting.
- 4. In accordance with the most currently negotiated contract, the Engineer's Office employees will all be on an HSA in the coming Plan Year.
- 5. Do not permit double coverage.
- 6. Should spouses be covered if they have other coverage available?
- 7. Want a wellness program.

Respectfully submitted on behalf of the Huron County Safety Committee,

Sue Bommer, Chair
