Discussion was had in regards to the Megginson Creek ditch maintenance.

[If the <u>current</u> property owner has owned the property since 2007, then the full six years of underpayment or overpayments well be everywed for the property. If the <u>current</u> property owner has owned the property only since 2010, for example, then only those three years that the owner has owned the property will be reviewed.] Property owners who both owe arrears and are entitled to refunds will have the amount of the arrears credited against the amount of refund so that only the net amount is charged or refunded. The amount to be charged in arrears or refunded as overpayment would be calculated based a) Shall have the full amount of the refund credited against the annual ditch assessments b) Any property owner who will not have 'used-up' the refund (by crediting the refund against the annual assessment) within six consecutive years, shall be entitled to having the refund paid back over the six years. The total amount of refund shall be divided in sixths (I/6). Each year the property owner will be entitled to that amount of refund – less the annual dirch assessment – paid to the property owner after the tax. The balance of the refund will be paid directly to the property owner after the tax. a) Shall pay the full amount of the arrears, up to a maximum of \$100 per year, until the full amount of arrears are paid. c) The amount to be paid will be placed on the tax duplicate and collected in the same manner as the current annual ditch assessment is collected. Proposed plan under consideration by the Joint Board to address errors in past assessments: Ditch improvement assessments would be corrected according to the following parameters: have been paid or were paid Current property owners would be charged arrears or refunded overpayments. MEGGINSON CREEK. HURON COUNTY - SENECA COUNTY JOINT COUNTY DITCH #147 b) Any balance still due in 6 years, shall be paid in full that year. on payments for the past 6 years. Payments that should years 2012, 2011, 2010, 2009, 2008, and 2007. Property owners who are entitled to a refund: Property owners who owe on arrears: until the refund is 'used-up'.
