TUESDAY

JULY 24, 2012

The Board of Huron County Commissioners met this date in Regular Session. Roll being called found the following members present: Gary W. Bauer, Joe Hintz, Larry J. Silcox.

Pursuant to Ohio Revised Code Section 305.14 the Record of the Proceedings of the July 19, 2012 meeting(s) were presented to the Board. Larry J. Silcox made the motion to waive the reading of the minutes of the July 19, 2012 meeting(s) and approve as presented. Joe Hintz seconded the motion. Voting was as follows:

Aye – Gary W. Bauer Aye – Joe Hintz Aye –Larry J. Silcox

At 9:18 a.m. Doug Brown, Willis came before the board in regards to Medical Mutual agreement and discussed the following email.

Hi –

We were contacted by Medical Mutual about the 8/1/2012 end date of the administrative fee reduction agreement with Huron County. This was a three year arrangement whereby Huron County paid a significantly lower administration fee (per employee per month) for the designated period.

In our funding projections for Huron County in February for the 2012/2013 plan year, we estimated an increase on 8/1/2012 to factor into your funding adjustment. So there is the expectation that the administration fee would increase on 8/1/2012. We assumed 5%.

Here is where it gets interesting. Medical Mutual verified that they did not increase the County's administrative fee on 8/1/2011 as they should have under the agreement. Consequently, Huron County has been paying a discounted administrative fee since 8/1/2011 as follows:

	Emps	100% "Full Fee" by Agreement for 8/1/2011	Actual Fee Charged by MMO since 8/1/2011
РРО	297	\$41.04	\$28.73
HSA	59	\$46.22	\$32.35
Retail Rx	297	\$2.11	\$1.48
Total - 12 Months		\$186,510	\$130,572
Difference			-\$55,938

Consequently, MMO has charged Huron County about \$56,000 less than the agreement called for. MMO is not asking for the money back. It was their mistake. But an adjustment of some kind needs to occur on 8/1/2012.

What MMO is offering is another 3-year administrative agreement which continues a reduced administrative fee for Huron County. Attached are the rates they would propose as of 8/1/2012, and then adjusting each March 1 thereafter to coincide with the regular MMO insurance year. Please note that discounted rates would increase 3% on 8/1/2012, another 3% on 3/1/2013 and another 3% on 3/1/2014. The consideration of the reduced fee would be that should Huron County terminate with MMO prior to 2/28/2015, Huron County would owe the difference between the "Full Fee" and the discounted rate retroactive to 8/1/2012.

We believe that Huron County should consider accepting this new administration agreement. As we have discussed, we may be marketing the account later this year or early 2013 so accepting a discounted fee could create some exposure should you leave MMO. However, if the marketing validates MMO's arrangement and Huron County continues with MMO, then why not enjoy the reduced administrative fee now and going forward? Even if you find an alternative to MMO, the County would be liable for the

difference "Full Fee" and Discounted Fee only since 8/1/2012. Thus, it is quantifiable and would be less than a year in duration.

Should the county elect not to take the reduced fee arrangement, then MMO would adjust the County's administration fee on 8/1/2012 to:

PPO	\$37.00 PEPM
HSA	\$42.00 PEPM
Retail Rx	\$ 2.00 PEPM

This is a little better than the "Full Fee" in the expiring agreement but higher than the Discounted Fee option on 8/1/2012. It is our understanding the MMO would adjust fees again on 3/1/2013 as described above so this 12 month projection is a little distorted but since both the Discounted Fee or Optional Discounted Fee would each increase, the illustration is relative.

	Emps	100% "Full Fee" by Agreement for 8/1/2011	Actual Fee Charged by MMO since 8/1/2011	Discounted Fee Option for 8/1/2012	Optional Non- Discounted Fee for 8/1/2012
РРО	297	\$41.04	\$28.73	\$29.59	\$37.00
HSA	59	\$46.22	\$32.35	\$33.32	\$42.00
Retail Rx	297	\$2.11	\$1.48	\$1.52	\$2.00
Total - 12 Months		\$186,510	\$130,572	\$134,467	\$168,732

We realize that this is confusing and I look forward to meeting with you next week to discuss and answer questions. Please be advised that the county's August invoice will reflect the Discounted Fee Option (\$29.59, \$33.32 and \$1.52). If the county elects not to accept the arrangement, then the fee would get adjusted to the non-discounted fee and reconciled in September.

Attached for your review is a copy of our illustration from February illustrating what the MMO should have been and with an assumption of a 5% increase on 8/1/2012, a copy of the MMO offer for the Discounted Fee, and an email documenting the fee as of 8/1/2012 should the county elect the non-discounted fee.

Thanks and we look forward to seeing you next week.

- The group's new agreement would start 8/1/2012.
 The group's admin rate will then increase by 3% on 8/1/2012, 3/1/2013 and 3/1/2014.
- If the group terminates their administration with MMO anytime between 8/1/2012 and 2/28/2015 they would owe the difference between what their full (100%) fee would have been and the actual billed fees for the period they remained with Medical Mutual.
- 4. Below is an exhibit showing the difference between the full fee and discounted fee that would be charged if the group terminated prior to 2/28/2015. 5. The group's terminal admin will not change until 2/28/15.

Mr. Brown stated that agreement itself terminates August 1, 2012 which is the three year agreement so they have given a couple of option. One being is just get back up to a non discounted level and another is to go into another three year arrangement with MMO at a discounted level. Mr. Brown stated that the pros and cons to this are which is the cons are going to the higher level but the positive is to go ahead and continue the three year arrangement because it is recognized that you will want to put this into the market at some point in the future for the next plan year. Mr. Brown stated that Willis believes that if you go ahead and did the lower discounted fee which started 8/1/12 so even if you found an alternative for implementation the first part of 2013 you will have just a few months that you would have to go back and pay the difference on, but if you find that MMO is the one that prevails then you are paying to lower discounted fee. The board agreed to go with MMO at this time.

Mr. Brown also discussed wellness programs and how they work further explained the screenings and how they would work with starting with employees and working dependents into to it. You would set up four or five measurable areas that would be targeted and they can look through the county data to see where the most trouble is. So what you do is set targeted thresholds in each of these areas that you want people to achieve. You do a screening process and out come the scores. Some with hit all five some will hit one, two, three or four. The ones that don't pass all five will pay more for their health insurance. The goal then is for these people to get to all five. It pays for itself by virtue of penalties. Those that choose not to participate will be penalized so they will create some surplus cash which will help set the tracking costs of this. Discussion was had in regards to those that because of genetics can not make the target for those they can be rewarded for making progress toward the target. The board agreed that this program needs to be looked at.

At 9-30 a.m. Public Comment Jason Roblin came before the board in regards to presenting the addendum to the Huron County E9-1-1 in accordance with the Ohio Revised Code 4931.45 and explained the changes. Larry Silcox asked that a news release be prepared in regards to the 9-1-1 system. Mr. Roblin stated that he would do so. Mr. Roblin also stated that he wanted to discuss the generator at the landfill, and stated that he had received a quote for \$5,430.00 for a 14 KW generator. Mr. Hintz stated that he has spoken to Daivia Kasper, Assistant Prosecutor in regards to the landfill paying for such generator and Ms. Kasper stated that what it comes down to is the primary purpose of the generator so if the primary purpose would be consider the purpose then the landfill could pay for it. Mr. Hintz stated that it really is a split thing and it is not just the landfill but that it is for the repeater system as well but Mr. Hintz stated that he would like us to come to some kind of deal that the landfill would pay for part of it because they are utilizing it and would like to see some of the money come from the sheriff but doesn't think that will work, and if EMA can somehow come up with some funding as well. Mr. Welch asked about the wiring and maintenance. Mr. Roblin stated that the wiring is included and that he does not do maintenance contracts he comes out and services which would cost about \$130.00 per year. After further discussion it was decided to tell Mr. Roblin to move ahead with purchasing the generator. The landfill will pay \$2,000.00; EMA \$1,800.00 and the general fund \$1,630.00.

Mr. Welch discussed purchasing the van at Maple City Ice. Lon Burton, Mechanic feels that \$2,000 would be the top amount for this van.

Sue Bommer presented a letter that she has composed for Elected Officials and Department Head in regards to the on-the-job injuries and illnesses.

Request for Statement of Qualifications of Environmental Planning Professionals Huron County Solid Waste Management District and City of Norwalk Huron County, Ohio

The Huron County Solid Waste Management District (SWMD) and City of Norwalk intends to contract for professional services in connection with a comprehensive study of solid waste disposal management operations within Huron County and the City of Norwalk.

The cost of the collection and disposal of municipal solid waste (MSW) and recycling material in Huron County has increased significantly in recent years. This has been primarily due to higher transportation costs and secondarily due to higher disposal costs.

This study will be undertaken to evaluate the feasibility of Huron County and City of Norwalk to find an alternative means for collection and disposal that will be economically comparable to, or more favorable than, the current systems in place. Thus, the focus of this study is strictly related to the economic evaluation of waste collection and disposal, and recycling options for Huron County. The project includes:

- 1. Operational evaluation and costs analysis of the Huron County Transfer Station and City of Norwalk's Sanitation Department;
- Economic feasibility of privatizing the waste collection and recycling services provided by the City of 2. Norwalk; and
- 3. Economic evaluation of facility designation (flow control) in Huron County.

Consulting firms interested in being considered to provide professional services should reply with a statement of qualifications identifying the project of interest. Statement of qualifications must be received no later than August 31, 2012. Statements received after this deadline will not be considered.

Statements should include:

- 1. The firm's history and location
- Education and experience of key personnel and project team 2.
- 3. Experience in similar projects. Particularly environmental planning.
- 4. Ability to meet budgets and project schedules
- 5. Present work load
- 6. Three (3) references including name, address, and phone number
- Successful firm will be required to submit proof of professional liability insurance and 7 general liability insurance

Four (4) copies of the Statement of Qualifications should be submitted to:

Cheryl Nolan, Administrator/Clerk

County of Huron

180 Milan Avenue

Norwalk, Ohio 44857

Telephone: 419-668-3092

Responding firms will be evaluated and ranked in order of their qualifications. Following this evaluation, the County will enter into contract negotiations with the number one ranked firm for each project. The County reserves the right to waive any requirements which may be in the County's best interest including the rejection

OTHER BUSINESS

Larry Silcox reported on a meeting that he had with Mr. Beal, ODOT and Mr. Meyers in regards to a couple of minor adjustments that Mr. Beal did not have any problem with. A meeting was going to be set with Mr. Silcox, Mr. Beal, Mr. Bader, and Josh Schinder to adjust the plan a little bit to compensate for Mr. Meyers' concerns. Mr. Meyers is a resident on State Route 18 new Raceway Park. Mr. Silcox asked about the request from Karen Fries in regards to the Recorder's equipment. Cheryl Nolan stated that Ms. Fries is scheduled to come in Tuesday, July 31, 2012 with a presentation. Mr. Hintz asked about the Heath Department space and what is going to happen at this building. Mr. Silcox stated that we are trying to get the Board of Elections finished and then we would get movement for the Health Department. Once the Board of Elections move is taken care of they will go through the cages down stairs and move the stuff that is in them up to the room on the top floor and then the Health Department can utilize that space. Mr. Silcox also discussed issues with the Health Department as well.

Gary Bauer discussed the OPWC in regards to the projects submitted for Issue 1. Discussion was also had in regards to the five year plan. Mr. Silcox stated that Pete Welch has some ideas for this plan and that they also have the left of 2001-2005 that could be revised as we have had a plan that needs to be updated. Mr. Hintz also brought to the board's attention that the drapery at the Recorder's office that need to be cleaned and further stated that he feels that they could be cleaned in house but they will need a man lift to do so and would like to rent this to do this cleaning. The board agreed to check into a man lift to see what the costs will be.
