## IN THE MATTER OF CERTIFYING CLAIMS SCHEDULE FOR PAYMENT BATCHES TO THE HURON COUNTY AUDITOR FOR PAYMENT:

Harry Brady moved the adoption of the following resolution:

WHEREAS, as per Ohio Revised Code 305.10, a resolution must be made by the Board of Huron County Commissioners to accompany the Claims Schedule to the Huron County Auditor's Office for payment; now therefore

**BE IT RESOLVED**, that the Board of Huron County Commissioners does hereby approve Claim Register for Payment Batches #322524 and authorize the Huron County Auditor to make the necessary warrant; and further

**BE IT RESOLVED**, that the foregoing resolution was adopted and all actions and deliberations of the Board of Commissioners of the County of Huron, Ohio relating thereto were conducted in meetings open to the public, in compliance with all applicable legal requirements, including Section 121.22 of the Ohio Revised Code.

Bruce Wilde seconded the motion.

**\*Discussion:** Mr. Boose noted there were some big payments in data processing. Would like to have Mr. Riedy take a look to see if this was something he could help with: Secure Check Workstation maintenance and FixMe IT annual license renewal used by Auditor. Ms. Stebel talked to the Auditor's office and confirmed these were used by the Auditor and there was nothing Mr. Riedy could do to assist.

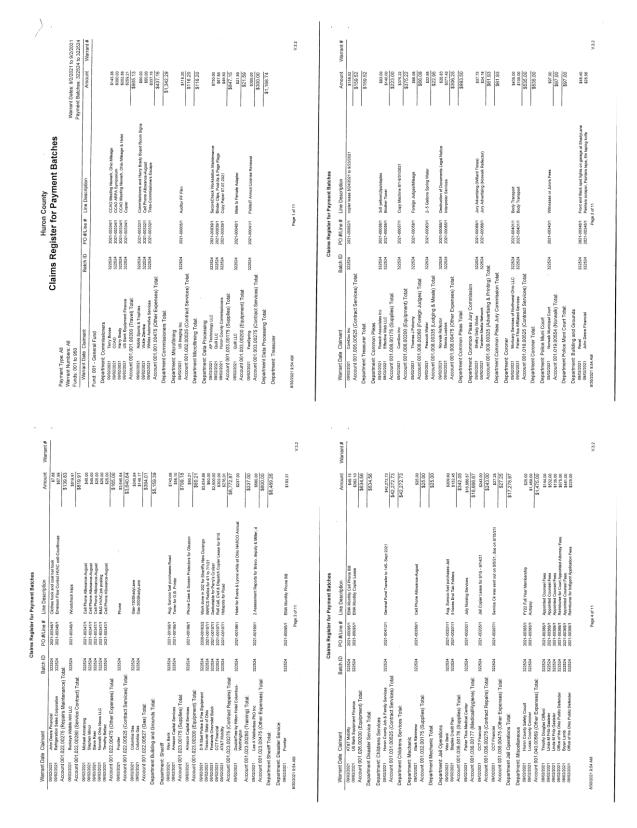

Front and back spotlights at Shady Lane. Ms. Stebel explained that at one time they had lights out there but both were out. This was where the lawnmower was housed and was very dark when they come in the morning. Mr. Boose wanted to make sure this wasn't for Senior Services.

Mr. Boose noted the payment for chip & seal. He had been to a meeting where Townships had not been happy with the chip & seal. Wasn't sure if this payment included townships or was just the county part.

There was a \$250 fee for the Huntington loan. Mr. Boose was not happy since we have the cash to pay for this purchase.

The roll being called upon its adoption, the vote resulted as follows:

Aye – Terry Boose Aye – Harry Brady Aye – Bruce Wilde

At 9:05 a.m. Public comment. <u>Roger Hunker, Lyme Township</u>. Mr. Hunker stated that their chip & seal came out okay, but he did hear some rumblings that others had not.

Mr. Boose said there had been question as to why internet was needed at the fair. Vendors could not use their credit card machines without it. He would like to set up a meeting with a couple Fair Board members to discuss this. Mr. Wilde offered to get something together. Mr. Hunker noted that there were a lot of things these days that were web based. Discussed the possibility of using ARPA funds for this.

Mr. Boose mentioned that there had been discussion about doing some type of Job Fair during the County Fair.

Mr. Hunker asked if there had been any more thoughts about using ARPA money for the building funds. There were several people who would like to see the hog barn replaced. Mr. Boose thought there might be money for those type of things, but was concerned everyone would want a new barn if there is money out there.

**\****Discussion:* Mr. Boose said that, unfortunately, the bids were higher than expected. Mr. Wilde asked if this was due to everything that was going on right now, with costs going up everywhere. Mr. Boose thought it was because the contractor saw something they thought would cause extra work over what the architect had determined. Ms. Webb clarified that the architect was reviewing to determine if the railing could be reused or if it would need to be replaced.

## OLD BUSINESS/NEW BUSINESS continued

Mr. Wilde attended Board of Revision last Thursday. There were people asking to have late fees waived due to mail issues. All were waived. Their next meeting will be Monday, September 27<sup>th</sup>. All decisions for this year have been resolved or have moved on to State.

Land Bank. Mr. Wilde had all the information from the meeting.

NEDC meeting. The October 7 meeting will be at Sandy Ridge. Mr. Wilde said the biggest thing they have done was to become a member of RISE - Regional Incubator for Sustainability and Entrepreneurship. He will find out if this was open to all residents of Huron County or only to Norwalk residents.

CORSA meeting tomorrow morning.

Thursday the Board is going to Akron.

Mr. Wilde ran through the schedule for next week: next Monday was a holiday; Tuesday was the Commissioner meeting; Wednesday was the meeting in Ashland, the Farm Bureau meeting and the Firefighter's Association meeting. Thursday was the Township dinner. Friday Mr. Wilde will be in Columbus for the CORSA annual meeting.

The 28<sup>th</sup> at 6:00 p.m. there will be a Purple Heart ceremony in Monroeville.

Mr. Boose noted there was a 9/11 Ceremony this Saturday.

Mr. Wilde had received emails regarding voting on mandating masks/vaccines. It is the same thing over and over again. Mr. Boose knows one of them, he will ask where they are coming from.

Mr. Brady went to Land Bank meeting last week. He thought it was very interesting.

Mr. Brady attended Muck Breakfast last week. He plans to schedule a time to go check out their operations first hand.

Friday Mr. Brady met with Matt Raymond and walked through the Veteran's offices.

Mr. Brady also met with the Sheriff and toured the jail on Friday.

TUESDAY

He met with Ms. Minor yesterday at JFS. There was an event coming up next April regarding the foster program. Mr. Brady will be speaking at that event.

Yesterday Mr. Brady rode along with a deputy for a whole shift. Was very interesting.

Mr. Brady will be meeting with Judge Conway this week. He had been trying to meet with all the different departments.

Mr. Brady also met with FCFC/Prevention Coalition.

Mr. Boose attended the Project Noelle event on Sunday. Project Noelle was an organization aimed at helping kids and families deal with drug overdoses.

Monday Mr. Boose attended the Workforce Development Task Force. One of the best meetings they have had. He specifically asked if the new outbreak of Covid was affecting recruitment. Everyone said no. JFS will be meeting with the Fair Board to discuss holding a job fair.

JFS is putting together a program to temporarily help people who are getting off services. They are trying to resolve the issue of people making more by not taking a job than by taking one. Pay people to work, not to not work.

Ms. Minor would like to offer ride-alongs with Children's Services workers and wanted to know if that was something the Commissioners would support. Mr. Boose told her they would.

ARPA. Still no idea what it can be used for. Some counties are appropriating money for administration. Mr. Boose was hoping to learn more at the meeting at the end of September.

Mr. Boose had received a really good email from Carolyn Bick on how to use census information. He will forward it to the rest of the Board.

Mr. Boose would like Mr. Wilde and Mr. Brady to put Winter Conference on their calendars: December 8, 9, 10. He felt this was really important.

Willard Firefighter meeting is December 8<sup>th</sup>.

Mr. Boose, Ms. Minor and Ms. Bick have discussed the confusion regarding the increase in SNAP benefits. Additional SNAP benefits, excluding additional funds provided as part of the pandemic relief, will increase for fiscal year 2022. Fiscal year 2022 begins October 1, 2021.

Mr. Boose noted that Representative Dick Stein was calling a meeting. All three Commissioners can attend. Don Schiffbauer, CEO of NORD Center, and Dan Hite, CEO of LCADA Way, will be joining Tom Stuber to discuss their services and what they may be able to provide to Huron County. They are all from Lorain County. The meeting is scheduled for Friday, September 24 at 1:00 p.m. in Meeting Room D.

Mr. Boose asked Ms. Webb to register the Board for the Recovery Walk on September 25.

Mr. Boose noted that Goodwill was one of the businesses that had participated in their meetings the last two weeks. Only store running full time is Willard. Have shut down one of their factories. Not enough staff.

Mr. Boose had quotes for the six bathrooms in the Administration building. This puts them over the \$50,000 bid threshold. Mr. Brady noted that at \$11,000 for each bathroom, he thought they should try to get some other contractors to give them prices. Mr. Boose explained the problem was getting quotes. It took over a month to get the one we received. We have been working on this for a year already and this was all the further we have gotten.

Seminar tomorrow on SB 52. Mr. Boose will attend this.

Mr. Boose asked when the Budget Commission was meeting to give an initial estimate on revenue for next year. Mr. Strickler thought it was sometime at the end of September.

Mr. Wilde and Ms. Ziemba held interviews last week for the new position in office. Nothing further has been done. They will be moving forward, but he had nothing to report.

TUESDAY

AUGUST 31, 2021

Mr. Boose has forwarded the job description for the Fireland's Forward position to Ms. Minor to put on the JFS website.

Mr. Boose provided a copy of an article from Statehouse on unemployment and fraud. He would like to work with Ms. Ziemba to put together a resolution to send to our State Representative and State Senator, President of the Senate, Speaker and Governor. He would like to tell them we need a major overhaul, and we need it now. \$3.4 billion in overpayments alone. This doesn't include fraud.
