IN THE MATTER OF TRAVEL - none

Mr. Boose said he would be going to Sandusky County for a regional jail meeting next Wednesday. However, this is a contiguous county. He gave an update – they are applying for a grant to do a feasibility study. But, both the county commissioners and the county sheriff have to agree to be a part of this. They are putting together a letter for the sheriff to sign, a resolution for the commissioners to sign and checking to see if there will need to be any match money. They do not think it will be needed, since this is just a study, but it would be split by 4 if it is needed. Mr. Boose said that all 4 counties have agreed that there is a need for mental health and drug addiction services. Another situation filling up our jails is more women and with that comes a matter of dividing them.

OLD BUSINESS / NEW BUSINESS

Administrator/Clerk updates:

- Ohio District 5 Area on Aging Virtual event at 1:00 p.m. on November 9. Ms. Minor registered for this and everyone will meet at JFS to attend the meeting. All 3 of the commissioners will attend this.
- Eligibility letters for the Administration building elevator and the Engineer's salt dome have been received from McDonald Hopkins.
- Mr. Boose asked if we had heard about the CDBG Grant for Administration Building elevator. Ms. Ziemba told him no. Mr. Boose wanted to get this done however we could. Ms. Ziemba told him we have to follow the CDBG rules. Mr. Boose told her not if we go to ARPA. Ms. Ziemba told him if we did that, then we would lose all of the CDBG money because we don't have another project to fall back on. Mr. Boose said he was tired of putting that job off. Mr. Brady said that we should be hearing from CDBG this month and Ms. Ziemba concurred. Ms. Ziemba said she would send an e-mail to follow-up. Ms. Ziemba told the commissioners that if the grant is awarded the money would be released in December or January.
- Mr. Boose said they needed to be moving forward with a plan for the ARPA money. Time was running out.
- Transportation An advertisement was posted for the Director and Mr. Brady said there have been some responses.
- Broadband- no updates recently.
- SAFEbuilt Ms. Ziemba has put together a resolution and completed an application for the State Auditor requesting a fund for it. She also sent a certified letter to Richland County last week. Mr. Wilde said we have a room downstairs and he is waiting for a phone call, then will be ready to do a resolution, which could be as early as Thursday. Ms. Ziemba asked Mr. Strickler if he had seen the updated contract and if anything much had changed. Mr. Wilde said only the name had changed and Mr. Strickler agreed.
- Apex RUMA Mr. Strickler stated that Mr. Green from the Engineer's office sent back some changes. Mr. Pedder called Mr. Strickler last week, Mr. Strickler will call him later today. Mr. Strickler said that most of the legal stuff is squared away now because we have agreed on a performance bond, not a letter of credit. Mr. Stickler had a conversation with their lawyer in Columbus and they changed the language. The engineers will need to handle the rest of the items. Still waiting on the Supreme Court.
- Ms. Ziemba asked when they wanted to start working on budget. Mr. Boose and Mr. Wilde both agreed they should start on Thursday. Ms. Ziemba asked if they wanted to review budgets on Tuesday's as well as Thursday's, since they didn't have much time left to get them done. Mr. Wilde suggested if they were to do budgets on Tuesday, they could take a break then work on them in the afternoon. Mr. Boose asked what was happening on Thursday's. Ms. Ziemba told him they could do it this Thursday, but he was out for the next Thursday meeting. Mr. Boose thought that he may be at the November 17 meeting, but thought we could do budget at Tuesday's meeting as well. Ms. Ziemba told them it would be planned for this Thursday, then they could decide how to schedule it after that. Mr. Boose asked if we had heard from the budget commission. Mr. Strickler thought they were meeting tomorrow. Mr. Boose thought they had met a couple of weeks ago and Mr. Strickler advised him they had, but had continued it until tomorrow or Thursday. Ms. Ziemba verified the budget commission meeting would be at 10:00 a.m. on Wednesday. Mr. Boose asked if we could send them an e-mail to them requesting a figure be sent to us after their meeting.
- Mr. Boose asked that Soil & Water stay on Ms. Ziemba's list. Mr. Strickler said he had it ready for Thursday. He explained that he had reviewed the information and the resolution that Mr. Stang had sent. Mr. Strickler then talked to Mr. Stang and added some language to the resolution. Mr. Stickler said the main thing is the property owner is not doing this, Soil and Water or someone else has to make the application, a government entity. Mr. Strickler talked to the person who runs the grant program in Columbus and was told that it did not need to be petitioned, we would just need to say it will be put on county maintenance once it is constructed.
- Mr. Boose asked Ms. Ziemba if we had quarterly numbers from Soil & Water, OSU, and all the other agencies the county pays.
- Ms. Ziemba said Mr. Boose had received an email to disregard the Soil & Water/Erie Basin match.

Assistant Prosecutor updates: – none

TUESDAY

Commissioner Brady updates:

- CEBCO Board meeting last Friday. Upped risk, dropped premium. Stop Loss insurance went from \$600,000 to \$800,000 and we switched companies from Anthem to another leader in stop loss, who could give us a better rate.
- Rx plan is changing names.
- Mr. Brady has a Catastrophic Leave meeting today. Then a Transportation Stakeholders meeting.
- Mr. Boose asked about the Open Enrollment meetings. Ms. Ziemba told him they were yesterday and today.

Commissioner Boose updates:

- CCAO has named Kyle Petty as Legislative Counsel.
- Everyone is registered for Winter Conference.
- Mr. Boose said he agreed with Mr. Wilde on the LED lightbulbs. He discussed the energy audit that had been done. They told us we have done the best things we could have done, such as HVAC and the roof. They mentioned we should do LED lighting upgrades, since less than 30% of the lighting has been changed to LED. We should start replacing with LED as lights go out.

Commissioner Wilde updates:

- Business Breakfast at Norwalk Catholic School.
- NEDC meeting Mr. Boose asked if they were selling office furniture and Mr. Wilde told him they were giving it away. Mr. Wilde also mentioned the assistant is leaving.
- Land Bank meeting Some of the projects are dragging on. A couple of houses need to be finished a little more before Landbank can give them the deed and it has taken a little longer to get things done. Landbank discussed being paid the full amount and placing half of it in escrow. Hopefully this will be an incentive to get the projects done. Mr. Brady said some of the projects have drug on for over a year and they are only supposed to take 6 months. Mr. Boose asked if there is a reason such as material delays. Mr. Brady thought they had bit off more than they can chew cost wise.
- Mr. Boose asked about mobile homes. He has seen some that are in horrible condition and asked of there was anything we could do. Mr. Wilde told him at board of revisions, when a trailer is done they need to get something to the auditor stating it was being demolished. Mr. Boose was wondering if there was anything landbank could do as far as paying to demolish some of them. Mr. Wilde will ask Mr. McCoy.
- Mr. Wilde noted that both Susan Hazel and Jan Tkach talked about new desks. Ms. Tkach has sent information about desks and is putting it in her 2023 budget. Mr. Wilde discussed the possibilities of doing it this year or next year. Ms. Ziemba stated that Ms. Hazel had wanted to transfer money from the title office. Mr. Wilde asked if it would be simpler to do it next year and Ms. Ziemba did not think it would matter because it was still new revenue from the title office. Mr. Wilde asked if he would need to talk to Mr. Tkach to ask how to do it. Ms. Ziemba told Mr. Wilde to ask Ms. Hazel when she wants to do it. If she wants to do it next year, the budget commission will need that number. Mr. Boose stated that Ms. Hazel was waiting for the commissioners to tell her if she could do it, so if we tell her yes, she can decide when. Ms. Ziemba stated that Ms. Hazel could always transfer money in, but if it is a matter of whether or not the Auditor will do an amended certificate versus you paying for it out of a different line. Mr. Boose said we would want to pay for it out of title money. Ms. Ziemba said that would require an amended certificate from Mr. Tkach if they want to do it this year. If they want to do it next year, the budget commission would need to know how much money she plans to transfer in, so they can put it in the budget. Mr. Wilde would like to see them do it this year because based on what Ms. Tkach said, prices will be going up. Mr. Wilde will get with them and find out what we need to do. Mr. Brady said that the Clerk of Courts was going to put the money up for it.
- Mr. Boose asked if they could go over meetings for this week.
- Today
 - Transportation Stakeholder meeting at 2:00 p.m.
 - Meeting with Sheriff at 1:30 p.m.
- Wednesday
 - Veterans Service Commission meeting at 2:00 p.m.
- Thursday
 - Commissioners' meeting
- Mr. Wilde attended the Workforce meeting for Mr. Boose yesterday. He said it was very lightly attended. They will be meeting about the snap cards. Discussed how someone received \$86,000 on their card.
- Mr. Brady asked Mr. Tansey how the hiring process was going for them and if the were able to find people to fill positions. Mr. Tansey had hired 3 new people and 1 person did not show for the first day of work.
- Ms. Ziemba stated she received a response from Ms. Bick. Ms. Bick told Ms. Ziemba she is meeting with Congressman Latta's office on Thursday regarding the yard, since they will be inheriting the issue.
