Mr. Bauer also discussed the restroom doors and putting stickers on the clear glass portion of the door that spells women. Mr. Bauer feels that this needs to be done for privacy. Mr. Bauer also stated that he had received from Dawn Herner in regards to the vacation of the property on N. Edgewood Dr., Norwalk Township. She is requesting to have the total road vacated.

Larry Silcox referred to a letter from Jonathan Cross interested in serving on the airport board, and stated that he would make a copy for board members.

Mike Adelman reported on the airport board meeting and the closing of the airport for the raceway park events. The next airport board meeting will be Feb 9, 2010 @ 4:00 p.m.

At 10:02 a.m. regular session resumed

Tom Wilson, Peck Shaffer, came before the board in regards to the recovery zone bonds. Mr. Wilson stated that these bonds come in two flavors, facility bonds which are for companies economic development type bonds. These bonds for Huron County are in the amount of \$2,306,000. The Economic Development Zone bond are taxable bonds and used for buildings in the amount of \$1,537,000 for Huron County. The initial interest rate is higher but at 45% subsidy from the federal government it is a better deal. These bonds can not be used for refunding outstanding debt. Mr. Wilson stated that by the end of January you need to put Ohio Department of Development on notice as to the plan to use the bonds. If this is not completed then in February the state will look at what comes back to the state. Mr. Silcox asked about using for the city of Norwalk and Mayflower. Mr. Wilson stated that these need to be brick and motor projects and the counties are having a hard time finding these types of projects with this short of a time span. Alex Beres, Huron County Development Council stated that is the case and that he has known about these bonds for awhile and has been trying to find a business to use them. He will put out an alert once again to see if there is any interest. To use such bonds the county would need to designate the entire county a recovery zone by resolution and by January 31, 2010. Mr. Wilson stated that in his opinion the commissioners should designate the county a recovery zone. The board agreed and Mr. Wilson will prepare the resolution. Other projects were discussed for the Economic Development Bonds which is for county buildings, roads, parking lots etc. Mr. Silcox mentioned remodeling the old jail by using such bonds. The board will discuss once again and will decide on a project.
